Sep 22-29th
Monday-Friday 6-8
Saturday 10-12
Sunday 11

Join us...

In exploring the roles of our faith, ourselves, and the importance of art in how we walk in the world around us. Each workshop will include a discussion about creating, meeting local artists, looking at examples of artistic creation in various forms, and doing hands on activities for the purpose of exploring our own creativity. You do not have to attend every workshop to participate but the discussion themes will be connected from session to session.
