

# New Joy Arts

## 2022/2023 Class Offerings

### At Foothill Learning Academy

#### **Art Exploration** (K-3rd & 4th-8th)

*Fall & Spring Semester - each semester has all new projects!*

Come explore the fun of creating through a wide array of art materials! In this art class, students will have the opportunity to paint in watercolors & acrylic, learn to draw with ink & chalk pastels as well as create 3D sculptures from everyday objects. Each project includes basic instruction on how to use the featured art material, an introduction to an artist who used it in their work and various samples of what they created. It's like taking a trip to our very own museum each week. **Class fee includes all supplies.**

**Cost:** \$190 per semester - 1hr a week/12 weeks

#### **Fun with Fibers** (4th-8th)

*Fall & Spring Semester - each semester has all new projects!*

Learn to make things from fabric, felt, yarn, string and more! In this class we will finger knit, weave and sew to create a wide array of projects for students to take home. **Class fee includes all supplies.**

**Cost:** \$200 per semester - 1hr a week/12 weeks

#### **Making our World: Mythology** (4th-8th)

*Fall semester only*

Combine history, language arts and visual art as we first study then create artworks inspired by the mythology of the ancient world. This class will include a wide array of projects from drawing, sculpting, painting and creative writing. **Class fee includes all supplies.**

**Cost:** \$190 per semester - 1hr a week/12 weeks

#### **Making our World: Maps** (4th-8th)

*Spring semester only*

Combine history, math and visual art as we first study the art and methods of mapmaking throughout history and then create our own. This class will include a projects from drawing, painting, measuring distance, creating from scale and navigation basics. **Class fee includes all supplies.**

**Cost:** \$190 per semester - 1hr a week/12 weeks
